ABOUT US

CALLALOO CORNER BRINGS THE BOLD, AUTHENTIC TASTE OF TRINIDAD & TOBAGO TO EVERYDAY FOOD.

Founded by Christine Lee Wing, who grew up in Trinidad surrounded by homemade pepper sauces and food shared around family tables, Callaloo Corner is rooted in family tradition and a love of bringing people together through flavour.

Our range combines tropical fruits, fresh vegetables, chillies and spices to create sauces with depth, balance and versatility. From drizzling and dipping to marinades and cooking, each bottle is designed to bring warmth, character and a true taste of the Caribbean to everyday meals.

The range has earned multiple Great Taste Awards and European Hot Sauce Awards recognition, giving buyers both flavour-led appeal and trusted independent credentials.

OUR MISSION: TO SHARE TRINI SOUL AND CARIBBEAN SPICE THROUGH SAUCES YOUR CUSTOMERS WILL LOVE.
